G D7 G  
You're a little bit of me, I'm a little bit of you.  
That's why we won't wanna C wander, like a lot of others G do.  
'cos you're a little bit of A7 D7 me, \*I'm a little bit of G you.

G D7 G  
You're a little bit of me, I'm a little bit of you.  
Take a wander over C yonder, that's what we 'aint G gonna do.  
'cos you're a little bit of A7 D7 me, I'm a little bit of G G7 you .

C G  
We're like rainy days, sure as ever fade away,  
D7 G G7  
Both like a spoonful of sugar, in our tea.  
C G  
We dream the same dreams, cheer on the same teams  
A7 D7  
'aint saying we'll never fall out, but we can't find nothing to row \*about

D7 G  
'cos You're a little bit of me, I'm a little bit of you.  
That's why we won't wanna C wander, like a lot of others G do.  
'cos you're a little bit of A7 D7 me, I'm a little bit of G you.

D7 D7 G  
'cos You're a little bit of me, I'm a little bit of you.  
That's why we won't wanna C wander, like a lot of others G do.  
'cos you're a little bit of A7 D7 me, I'm a little bit of G you.

C G  
We like dogs and cats, we like Persian mats,  
D7  
We both like to cuddle by the fire,  
G G7  
when it's cold out- side.  
C G  
One day I'll be bound, me and you gonna settle down  
A7  
and have a good looking family no doubt about it,  
D7  
\*just \*you \*wait \*and \*see

D7 G  
'cos you're a little bit of me, I'm a little bit of you  
That's why we won't wanna C wander, like a lot of others G do.  
'cos you're a little bit of A7 D7 me, I'm a little bit of G you.  
'cos you're a little bit of A7 D7 me, I'm a little bit of G you.
